

Nilfisk SERVICE TOOLS HPW - 2022

Nilfisk SERVICE TOOLS

Pressure Gauge for fuel pressure

8966

Benefits:

Replacement pressure gauge for the fuel pressure gauge kit, 17246.

Nilfisk SERVICE TOOLS

Soot pump

Benefits:

This tool is a must in order to adjust the boiler correct to minimize the pollution from the boiler and optimize the boiler lifetime.

Nilfisk SERVICE TOOLS

Water test paste (Water detection paste)

17244

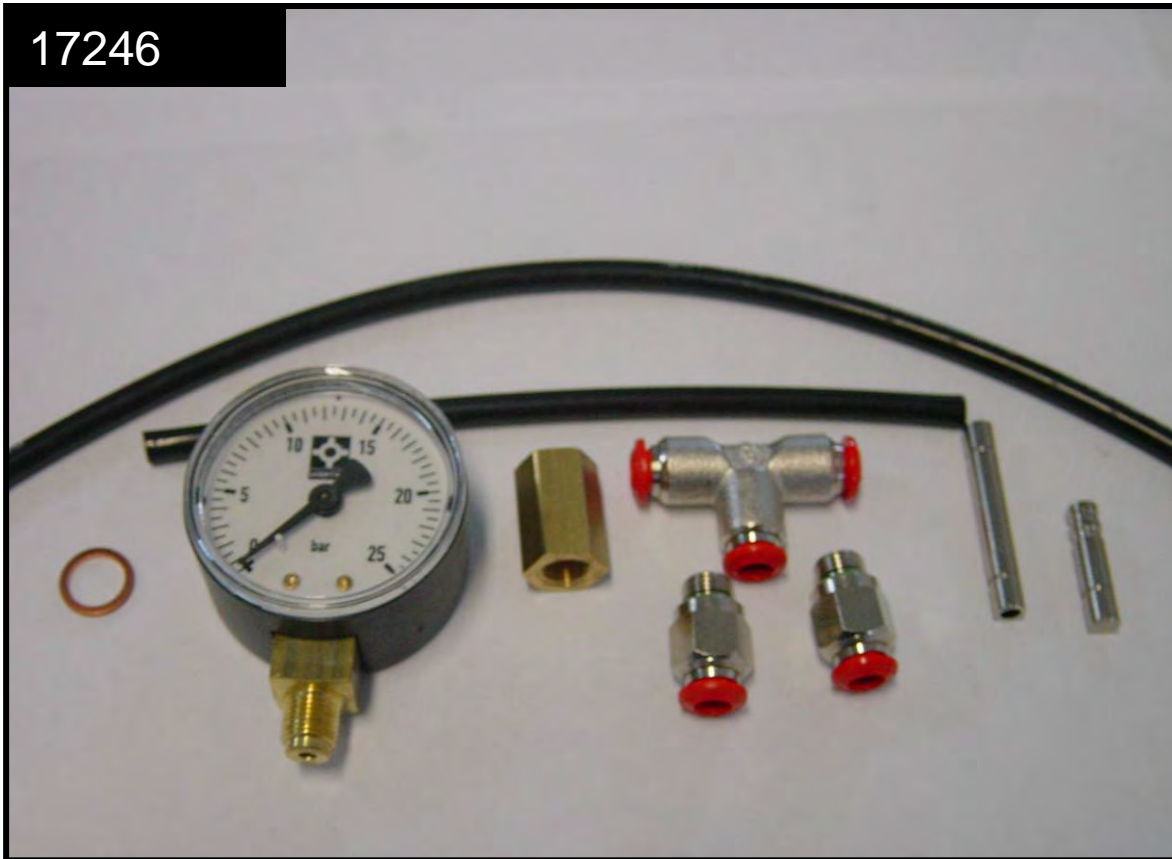

Benefits:

Can detect if diesel fuel, oil etc. is contaminated with water.

Nilfisk SERVICE TOOLS

Fuel pressure gauge kit

17246

Benefits:

This tool is a must for adjusting correct fuel pump pressure.

Nilfisk SERVICE TOOLS

Silikone Paste

33667

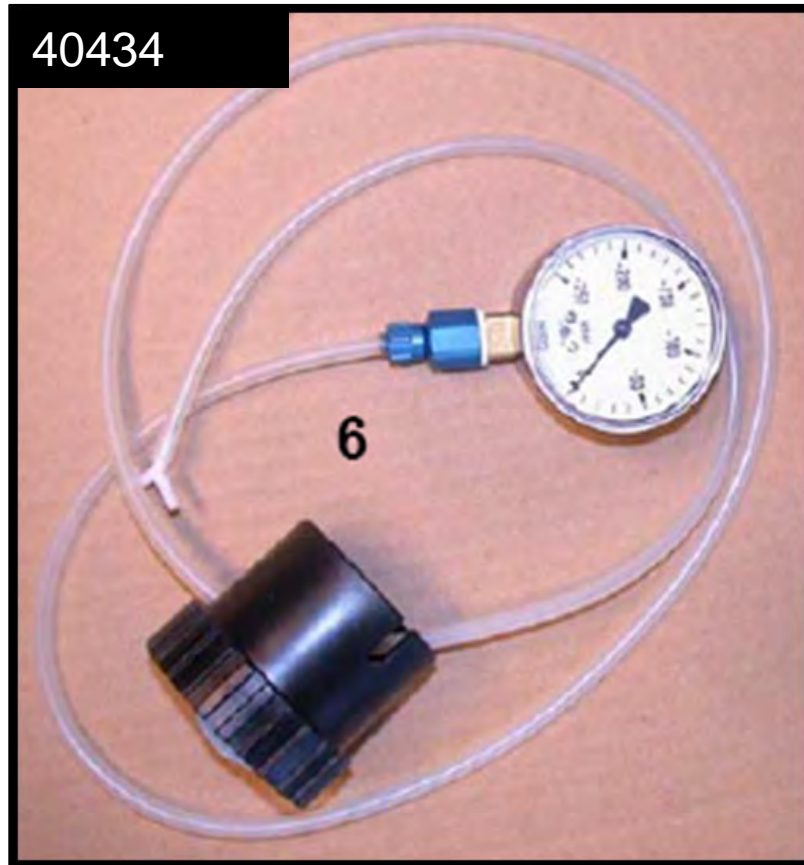

Benefits:

For lubricating o-rings and seals for easier and safer mounting.

Nilfisk SERVICE TOOLS

Setting tool

Benefits:

Test setting tool for:
Attix 3-5-7-9.

Nilfisk SERVICE TOOLS

Grease - food grade - for valves

Benefits:

Grease which is approved for use in the food industry and occasionally in contact with food.

Nilfisk SERVICE TOOLS

Puller for impeller

43249

Benefits:

Puller for easy dismount of impellers.

Nilfisk SERVICE TOOLS

Manometer 0-315 bar G 1/4"

49473

Benefits:

Manometer 0-315 bar
with 1/4" threads.

Nilfisk SERVICE TOOLS

Hose f. test manometer D2x800 400 bar M12x1,5/G1

60141

Benefits:

Hose for test manometer
0-315 bar ¼”.

Nilfisk SERVICE TOOLS

Test manometer for 27x1,5 mm thread outlet

61911

Benefits:

Test manometer for old machines with 27x1,5mm outlet threads.

Nilfisk SERVICE TOOLS

Setting restrictor for test

62480

Benefits:

Test setting slot for reducing air flow on Attix 3-5-7-9.

Nilfisk SERVICE TOOLS

EC Board tester

62859

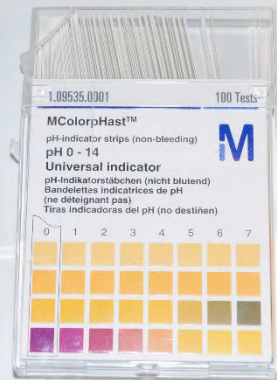

Benefits:

Test equipment for EC motors in Attix 3-5-7-9.

Nilfisk SERVICE TOOLS

PH value tester

80303

Benefits:

Ph value tester, for quick PH measurement.

Nilfisk SERVICE TOOLS

Pliers for circlip

1205269

Benefits:

Especially very helpfull for the circlip in the bottom of the C3 By-pass valve.

Nilfisk SERVICE TOOLS

Puller body

1205715

Benefits:

Puller legs fits exactly on this puller body, and is quick and safe to use.

Nilfisk SERVICE TOOLS

Punch f. mounting U-sleeve in spray handle

1205939

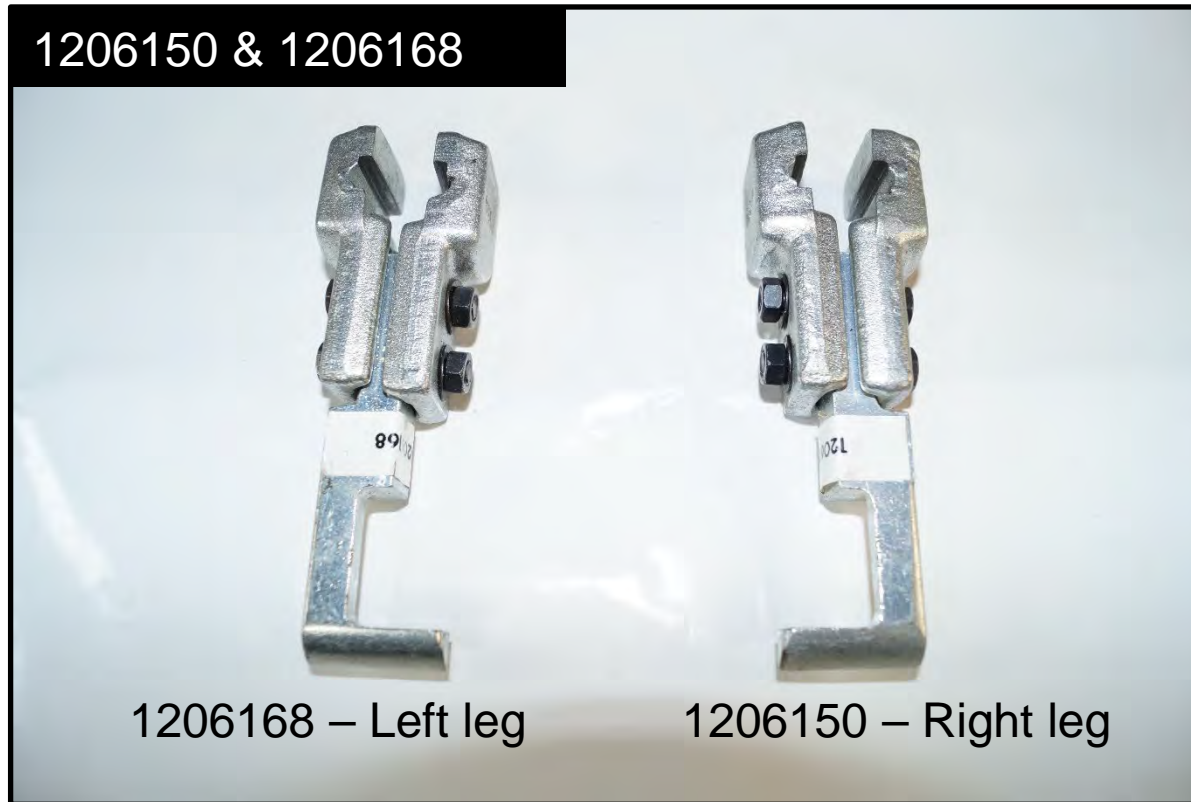

Benefits:

Punch for easy and safe installation of U-sleeve, 3000924, in spray handle.

Nilfisk SERVICE TOOLS

Puller legs for C3 wobble disc – Left & Right

Benefits:

A must for correct and safe dismount of C3 wobble disc.
Puller 1205715 is needed too.

Nilfisk SERVICE TOOLS

Puller leg for NA6 & NA6+ wobble disc – Left & Right

101221054

Benefits:

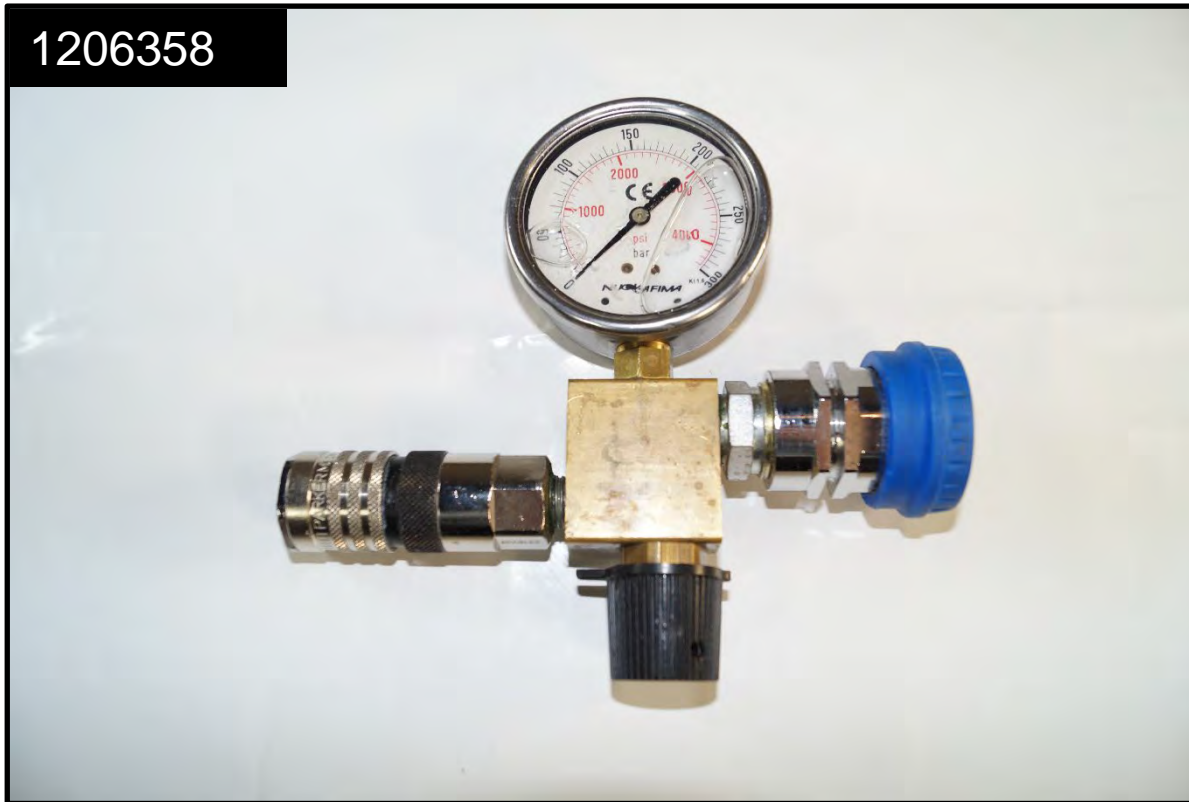

A must for correct and safe dismount of NA6 & NA6+ wobble disc.

2 puller legs needed as well as 1 puller body 1205715.

Nilfisk SERVICE TOOLS

Test manometer

1206358

Benefits:

A must have – for every service technician.
Test manometer for testing/setting the various Nilfisk pumps.

Nilfisk SERVICE TOOLS

Fuel pressure gauge

1206390

Benefits:

Pressure gauge for measuring fuel pump pressure on hot water models.

Nilfisk SERVICE TOOLS

Protection for motor shaft

1206598

Benefits:

Protection used for protecting the oil seal in the C3 D-bearing cover when installing the D-bearing cover.

Nilfisk SERVICE TOOLS

Puller legs for fan C3 motor (Set of 2)

1206739

Benefits:

Puller legs for easy dismount of C3 motor fan.

Puller 1205715 is needed too.

Nilfisk SERVICE TOOLS

Box spanner 17 mm extra deep

1206762

Benefits:

This 17 mm box spanner, which is extra deep, is needed for dismounting the 8 x 10 mm nuts holding the C3 cylinder block.

Nilfisk SERVICE TOOLS

Protection for mounting O-ring on C3 stay bolts

Benefits:

This protection is needed when mounting the O-rings on the C3 stay bolts.

If not used there is a high risk that the O-rings will be destroyed on the threads.

Nilfisk SERVICE TOOLS

Tools for by-pass valve cone

1210558

Benefits:

Special tool for valve cone in by-pass valve. (Old MH 4 & 5 FA with NA5.2 pump).

Nilfisk SERVICE TOOLS

Puller complete for valve seat

1216506

Benefits:

Puller for dismounting valve seats in pumps.

Nilfisk SERVICE TOOLS

Puller part for 1216506

1216779

Benefits:

Puller part for puller
1216506.

Nilfisk SERVICE TOOLS

Mounting punch for textile water seals C3 & NA6

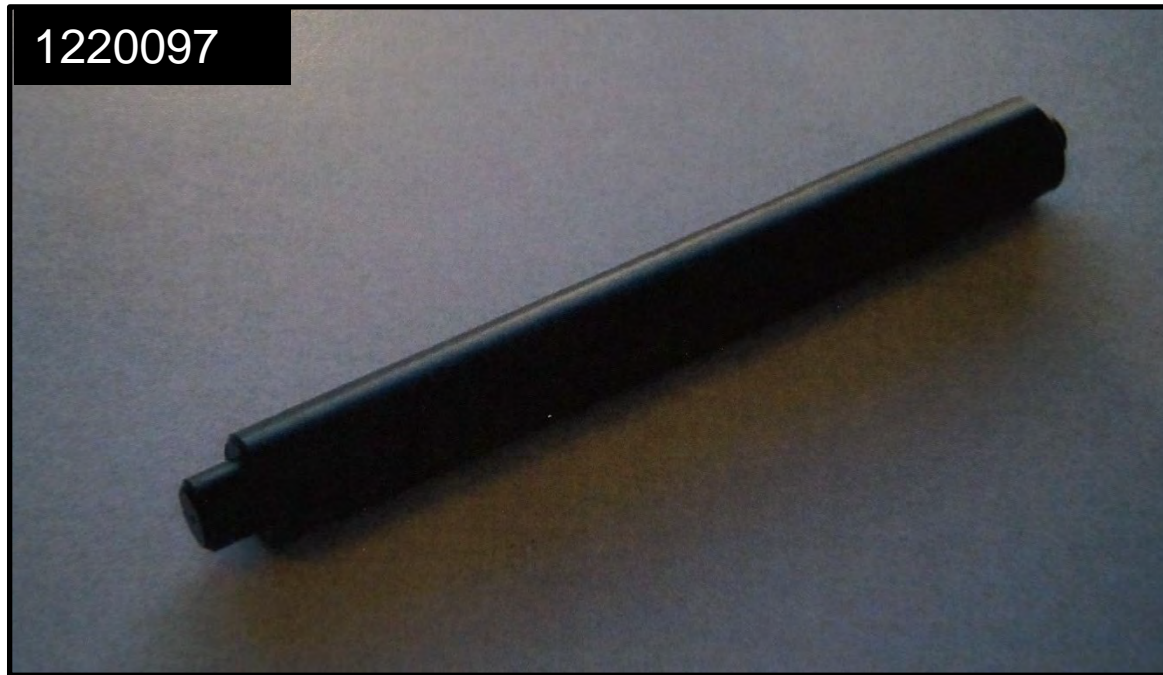

Benefits:

Mounting punch for installing the primary textile water seals in the C3 & NA6 pump.

Nilfisk SERVICE TOOLS

Punch f/ sliding ring and U-sleeve

Benefits:

Mounting punch f sliding ring and U-sleeve.

Nilfisk SERVICE TOOLS

Punch for wobble disc mounting

1220102

Benefits:

Mounting punch for wobble disc. MC 5, and 30 series pump.

Nilfisk SERVICE TOOLS

Puller for valve seat M8

1220103

Benefits:

Puller for plastic valve seats M8.

Nilfisk SERVICE TOOLS

Punch for U-sleeve

1220110

Benefits:

Punch for safe mounting of U-sleeve.

Nilfisk SERVICE TOOLS

Adapter for test manometer

1220126

Benefits:

Adapter to mount
between test manometer
and high pressure hose.

Nilfisk SERVICE TOOLS

Punch for oil seals C3

1220429

Benefits:

Safe and secure punch for installing the C3 oil seals.

Nilfisk SERVICE TOOLS

Pressure gauge for test

1220430

Benefits:

Test pressure gauge for consumer products.

Nilfisk SERVICE TOOLS

Wrench set 14 mm

1220431

Benefits:

14 mm wrenches for adjusting unloader.

Nilfisk SERVICE TOOLS

Quick coupling Industry

1602408

Benefits:

Quick coupling Industry, with inner $\frac{1}{4}$ " threads for mounting test nozzle with $\frac{1}{4}$ " outer threads.

Nilfisk SERVICE TOOLS

Lubricating grease

5218609

Benefits:

COMING LATER

Nilfisk SERVICE TOOLS

Puller for valve seat M4

31000189

Benefits:

Puller for plastic valve seats M4.

Nilfisk SERVICE TOOLS

Puller for valve seat M6

31000190

Benefits:

Puller for plastic valve seats M6.

Nilfisk SERVICE TOOLS

Test gauge for "profi"

31001153

Benefits:

Test gauge for old machines.

Nilfisk SERVICE TOOLS

Test gauge for Consumer

101221003

Benefits:

Test gauge for pressure test of consumer products.

Nilfisk SERVICE TOOLS

Service Tool Box

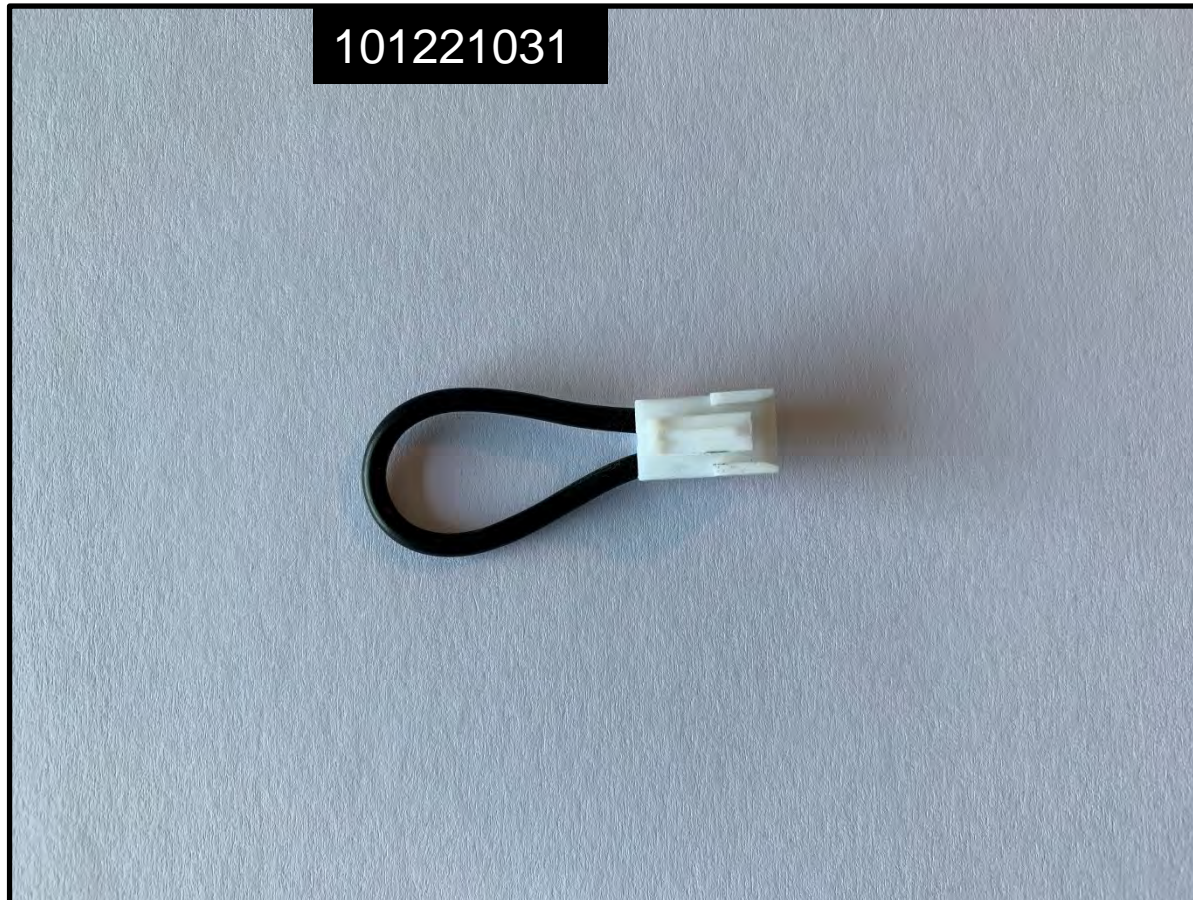

Benefits:

Interface box for NEO
PCBA communication to
laptop.

Nilfisk SERVICE TOOLS

Jumper F. Service Time Reset

Benefits:

With this jumper the service time can be reset on e.g.MH models without connecting with the Nilfisk Service Tool.

Nilfisk SERVICE TOOLS

Test manometer compl. XT version

103602606

Benefits:

Test manometer for XT model.

Nilfisk SERVICE TOOLS

Lifting jack

106403200

Benefits:

Support for MH machine when dismantling the heat exchanger.

Nilfisk SERVICE TOOLS

Unisilikon L250L 60 g

107307065

Benefits:

Silicone for greasing pump components before assembly.

Nilfisk SERVICE TOOLS

Tool for inlet fittings

107400255

Benefits:

Nilfisk SERVICE TOOLS

Calibration switch w/wires

107416579

Benefits:

Nilfisk SERVICE TOOLS

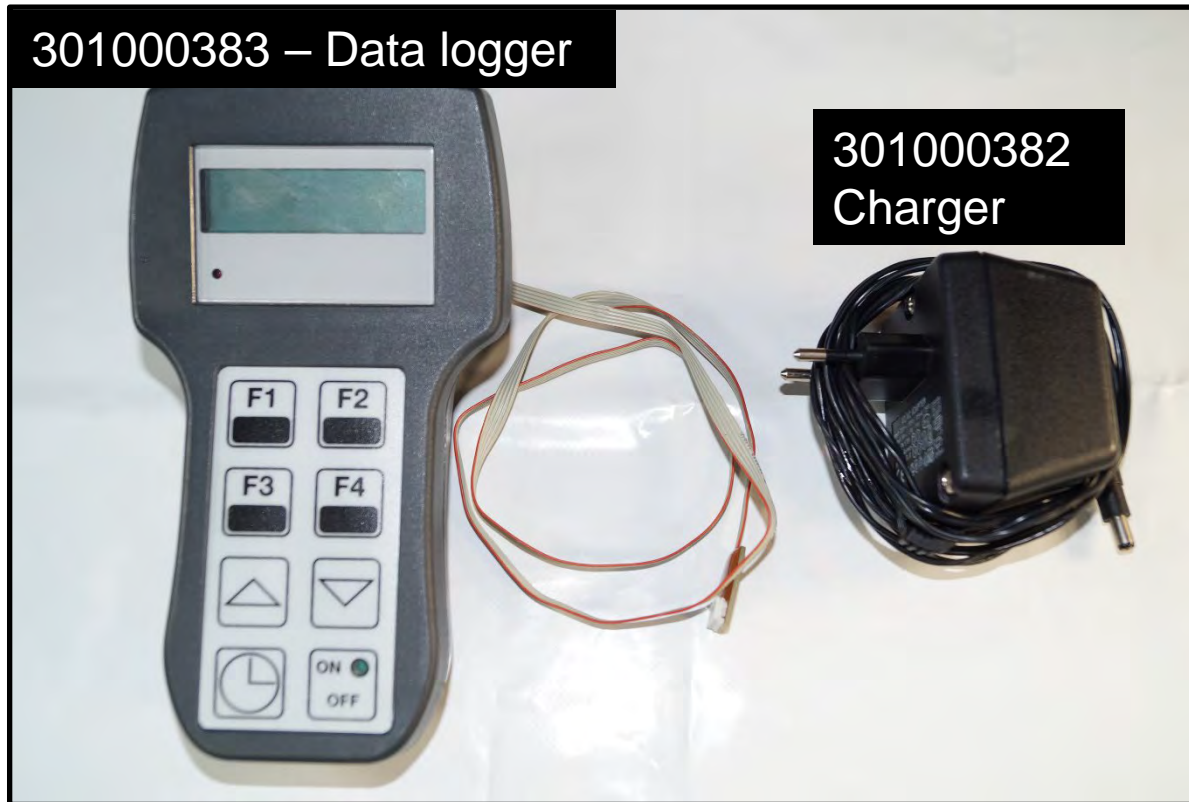

Setting Tool

Benefits:
Setting Tool
needed for
calibration of
pressure switch in
AERO 26-XX

Nilfisk SERVICE TOOLS

Data logger & Power supply/charger

Benefits:

Data logger & Power supply/charger.

Nilfisk SERVICE TOOLS

Service crane

301001078

Benefits:

Service crane for easy and safe removal of heat exchangers.

Nilfisk SERVICE TOOLS

Support for service crane

301001804

Benefits:

Support for service crane. Used on machines that does not have this device as standard.

Nilfisk SERVICE TOOLS

Service Time change plug 5-pol

301001873

Benefits:

5-pol plug for changing the service time on older Nilfisk hot water models.

Nilfisk SERVICE TOOLS

Special tool – oil seal (Shaft) – NP5 pump

301001934

Benefits:

Special tool for mounting the shaft oil seal in the NP5 pump.

Nilfisk SERVICE TOOLS

Special tool – oil seal (piston) – NP5 pump

301001935

Benefits:

Special tool for mounting the NP5 pump oil seals.

Nilfisk SERVICE TOOLS

Special tool – oil seal (piston) – NP3 pump

301001941

Benefits:

Special tool for mounting the NP3 pump oil seals.

Nilfisk SERVICE TOOLS

Special tool – oil seal – NP3 pump

301001942

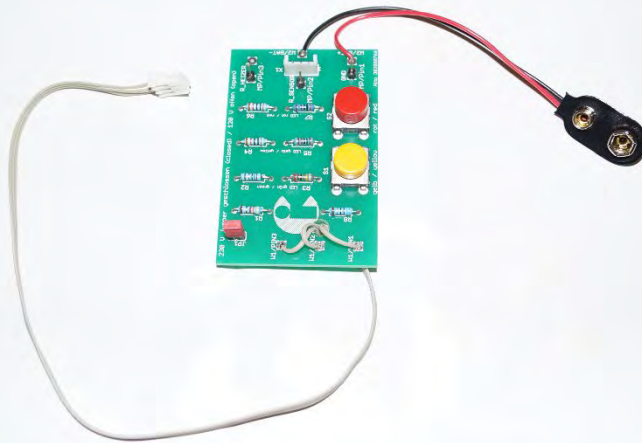

Benefits:

Special tool for mounting the shaft oil seal in the NP3 pump.

Nilfisk SERVICE TOOLS

Calibrate flow sensor Attix

302000766

Benefits:

Sensor for calibrating the flow sensor in Attix
